BRIEF INTRODUCTION

As an industrious self-starting professional and possessing excellent skills in Ruby, Ruby on Rails, JavaScript, HTML and CSS, I am dedicated to the success of both your business and the customers that I'll be serving. With integrity at work and home, I am resolved to live by the principles of respect, honesty, cooperation, leadership, and vision. I utilize these principles through the skills I possess of effective software development, empowering communication, and outstanding technical expertise. I look forward to serving your organization with the highest commitment and talent I have to offer in contributing to the success of your business and customer satisfaction!
